**REPORT  
OF THE  
SECRETARY OF THE BOARD OF MISSIONS.**

The following charges received an appropriation from the Board of Missions during the past year:

Wilkins Avenue, Brunswick, Emory, Frederick Avenue, Upper Marlboro, North Baltimore, Taylor's and Caernarvon, Caroline, Charles, West Harford, East Harford, Church Hill, West River, Epworth, Marvin, Alexandria Mission, Fauquier, Occoquan, Morrisville, Manassas, Sudley, Stafford, Warrenton, Hillsboro, Strasburg, White Post, Edenburg, Warren, Page, Berkeley, Fairfield, Bell's Valley, New Market, Mt. Jackson, New Hope, East Rockingham, Port Republic, Marksville, West Augusta, Staunton Circuit Mission, Grace, Elliston, New Castle, Rockbridge, Collierstown, Roanoke Circuit, Alleghany, Millboro' and Shiloh, Gillets, Hot Springs, Alvion, Talcott, Greenville, Petersburg, Franklin, Morgan, Gainsboro', Wardensville and Crab Bottom.

These charges report 12,744 members, a net increase of 582; 195 Sunday Schools; 1,644 officers and teachers; 11,284 scholars; 171 churches; \$235,495 value of churches; \$21,483 paid on ministerial support; \$1,509 contributed for foreign missions, and \$914 contributed to domestic missions.

Some of these charges will be henceforth self-sustaining, and thus every year the wisdom of the Board, in furnishing some financial help, is vindicated. An inspection of the list of appointments receiving missionary aid will disclose the fact that the expansion of our work is a marked feature of it through the agency of the Board.

There are a few cases, among the claimants on the Board, to whom the Board was not able to give as comfortable a support as they ought to have, and the Conference would do a creditable thing if it would give some special help to these brethren.

J. L. SHIPLEY, *Secretary.*

**REPORT OF THE WOMAN'S FOREIGN MISSIONARY SOCIETY,  
BALTIMORE CONFERENCE.**

---

*To the Bishop and Members of the Baltimore Annual Conference  
of the M. E. Church, South.*

Dear Fathers and Brethren:

Last October, Mrs. A. H. Strother felt compelled to lay down the work of this office, which she had untiringly performed for five years, and I was elected her successor.

To me it was new work in a strange Conference, and the past four months have been spent in getting acquainted with the work and workers. I can do little more, therefore, than to give you a bare statement of the work, leaving you to draw the conclusions.

Our total adult membership, 1,641; juvenile, 855; subscribers to the "Woman's Advocate," 372; to "Little Worker," 188.

In the first two items, we show a slight *decrease*, which is due partly perhaps to the financial depression of the past year, and partly to an effort which has been made to reduce our rolls to include only those who really pay the dues. Still, explain it as we may, the decrease is there, and causes us pain to note it, for the work should move forward and only forward.

One of the saddest comments on the indifference of the women of the church to the cause of missions is in a few words spoken by Miss Haygood in a little farewell meeting in Nashville, just previous to her return to China last month. She said: "This indifference pained and discouraged me, and often I had to turn my thoughts to the work being accomplished in China for comfort and encouragement."

I am convinced the remedy for this state of affairs is largely in the hands of our preachers. The women cannot move forward without the encouragement and active co-operation of their pastors.

Our last annual meeting was held in Washington, D. C., and all the districts were more fully represented than ever before. Mrs. C. B. Brown, our President, was made Honorary President, and Mrs. A. H. Strother was elected President. We were greatly benefited by the presence of Miss Laura Haygood, one of our Missionaries to China, and feel sure that the seed sown in the annual meeting will bring fruit before the close of another year.

We are not discouraged, because the work is the Lord's, and in His own good time and way He will give us the desires of our heart, but we do most earnestly ask you to be co-workers with Him in bringing the women of our church to a sense of their responsibility in this great work of bringing the world to Christ.

## REPORTS.

### THE BOARD OF EDUCATION.

#### *The Randolph-Macon College and Academies.*

The Randolph-Macon System of Schools and Colleges continues to do its great work for Christ and His Church, and with a success which vindicates the wisdom of its organization and policy.

The College at Ashland maintains the average patronage of past years, despite the fact that the Preparatory Classes have been discontinued, and the introductory work also largely remanded to the Academies. Eighty-five per cent. of the students are in full College classes, as against fewer than 50 per cent. before the organization of these institutions. This has a very happy effect upon the tone of scholarship and the standards of conduct among the students, and places your College in an attractive and commanding position before the public.

In the Scientific Department a very decided development has been made. The courses in Chemistry and Biology, with full laboratory facilities, have become very interesting to students, and are conducted with great enthusiasm and success. Through the generosity of a friend of the College, important additions have recently been made to the chemical apparatus.

The Randolph-Macon Academy at Front Royal is the object of our special care and our deepest solicitude. The work of the teachers has been faithfully and efficiently done, and good discipline has been maintained. The students that come to the College from this Academy show evidence of excellent preparation. But there has been a large decrease of patronage as compared with that of last year, the number of students enrolled this session being eighty-five. Surely we cannot afford to allow this splendidly equipped and promising institution to fail. But, in order that it be perpetuated, the united and generous support of the Church is necessary. Its patronage must be extended, and its debt paid. Then we may expect it to live and prosper, and to become a source of incalculable benefit to the cause of Christian education in our Conference.

We called attention to the report of this Board, at the last session of the Conference, referring to a previous resolution authorizing a canvass for \$50,000 for the endowment of the chair of the English Bible in Randolph-Macon College, and paying off the debt of the Academy; and,

WHEREAS, We regard it important that the debt on the Academy be paid as early as possible,

*Resolved*, In order to raise the amount due on the Academy at Front Royal, we recommend that an effort be made this year to raise the sum of \$20,000, the amount due on said Academy; and, that each presiding elder and preacher in charge pledge himself to aid President William W. Smith in this undertaking, so far as he can.

The Randolph-Macon Woman's College shows a gratifying growth. A large donation has justified the Board of Trustees in adding largely to the buildings for the coming session. Thirty-eight additional boarders can be thus accommodated. In common with our whole Church, we are gratified at the success of this endeavor to offer our young women the same advantages as are given men in Randolph-Macon College at Ashland. This is easily the leading College for women in our Church, and we most heartily commend it to the patronage of all who seek the higher education for their daughters.

The Randolph-Macon Academy at Bedford City is in a very flourishing condition, with a handsome surplus of current receipts over current expenses of this year. We rejoice in its prosperity.

*Ministerial Education.*

We are glad to report that timely and judicious aid is still extended to young men preparing for the ministry. Twelve students of the College are receiving loans from the Anderson and the Winch Loan Funds.

The death not long since of the donor of the former fund, Brother Alexander H. Anderson, of Greenbrier county, W. Va., calls for a word of grateful tribute to his memory. We believe that the fruits of his wise and noble benefaction will follow him into the Heavenly rest; and we trust that others may find it in their hearts to follow his example.

*Wesleyan Female Institute.*

In the report submitted by this Board at the last session of this Conference attention was called to the financial condition of the Institute, and the necessity of arrangements being made to provide for its indebtedness without delay, that the property might be saved to the Conference. The attempt to sell the bonds of the Institute, to the amount of \$30,000, was not successful, and the debt has not been provided for. At present the indebtedness is reported at about \$37,000. Of this \$15,013 is what is known as the "Cockran debt," and \$9,040 as the "Harris debt," both being a part of the original purchase price and accumulated interest; but the "Harris debt" is subordinate to the "Cochran debt" under the conditions of the assignment to Dr. W. A. Harris. The balance of \$13,238 is due to sundry creditors, on part of which judgments have been obtained.

The property is now in the hands of a receiver under the orders of the Hustings Court of Staunton, Va.

This Board has given very careful consideration to the condition of existing circumstances as they have been presented, with a view to save this School to the Church, if possible, feeling the importance of continuing in operation this power for the Christian education of our young women. But, after every effort to do otherwise, we feel compelled to offer the following:

*Resolved*, That we regret that, after careful investigation, we are unable to devise any feasible plan by which the School can be conducted next session.

*Resolved*, That the Conference deeply appreciates the heroic self-sacrifice of Rev. H. P. Hamill and his associated teachers in maintaining the Wesleyan Female Institute for the Church, during the past year, practically without compensation, and, in the name of the Master, thanks these brethren and sisters for this service to the Church.

**AMENDMENTS CONCERNING DISTRICT CONFERENCE BOARDS.**

To perfect and make effective the organization of Educational Boards within our Conference, we ask the adoption of the following amendments to the plan as published in the Minutes of 1895, pages 53 and 54:

1. In Section 2, line four, strike out the words, "and the traveling expenses of members of the District Boards when in discharge of their duties as members of the Board."
2. Under the head, District Boards of Education, in line five of the first paragraph, strike out, "he shall call a meeting of the Board for his district in the month of April, which," and insert in its place, "the Board so

chosen shall meet during the session of the District Conference," so that the passage as amended shall read: "Every District Conference shall elect, for a term of two years, four laymen, and the Presiding Elder shall appoint three preachers from his district, as a District Board of Education.

"The Presiding Elder shall be *ex-officio* a member of the Board, and he shall have power to fill any vacancies occurring in the Board in the interim of District Conferences.

"The Board so chosen shall meet during the session of the District Conference, shall effect its own organization, and report the same to the Conference Secretary of Education, and lay such plans for their work in the district as in their judgment are advisable.

"The four laymen of this Board shall be *ex-officio* members of the District Conference, etc."

3. Under the heading, Local Boards, page 54, first paragraph, insert in line two, after the word "elected," the words, "under Question Fifteen," and after the words "by the" the word "first," so that the paragraph shall read: "In each pastoral charge there shall be a Local Board of Education, consisting of three members, to be elected under Question Fifteen by the first Quarterly Conference, upon the nomination of the preacher in charge. It shall be the duty of the Local Boards, etc."

We further recommend that the second Sunday in June, or as near thereto as practicable, shall be recommended as the day upon which our ministers shall preach the sermon on Christian Education, as required by the discipline.

We recommend the election of Rev. H. P. Hamill as Conference Secretary and Treasurer of Education.

#### AMERICAN SOCIETY OF RELIGIOUS EDUCATION.

Replying to the paper which was referred to us from the "American Society of Religious Education," your Board would respectfully say that we commend their Society, which has its headquarters in Washington city, in its purpose and effort to awaken an increased interest in the subject of religious education; to devise improved methods of Bible study and teaching for the home, the Sunday School, the public school and the college, and to preserve at the National Capitol information on all systems of religious instruction.

And we also call the attention of the Conference to the First National Congress of Religious Education, to be held in Washington city, beginning April 20, 1896, under the auspices of this Society, where the object will be to emphasize the importance of religious education, and to determine what new methods and agencies are necessary in this department, as well as how best to carry the Word of God to the unchurched masses.

Several representative men of our church will make addresses at this congress.

#### Paine and Lane Institutes.

We desire to continue our recognition of the valuable work carried on by the Paine and Lane Institutes, and note, with satisfaction, the sum of \$4,000, which was reported at our last Conference as being necessary to complete the main building at Lane Institute, has been reduced to \$1,500.

We recommend the assessment of \$500 on behalf of these institutes.

We recommend an educational assessment of \$2,360, of which \$2,000 shall be for the benefit of Randolph-Macon College, and \$360 for the General Board of Education.

We recommend the following appointments: J. A. Kern, Professor in Randolph-Macon College; B. W. Bond, Principal Randolph-Macon Academy at Front Royal, Va.; Collins Denny, Professor in Vanderbilt University; H. P. Hamill, Principal Wesleyan Female Institute; J. P. Hyde, President Valley Female College.

ISAAC W. CANTER, *Chairman pro tem.*

*• Proposition in Regard to the Wesleyan Female Institute.*

Proposition to the members of the Baltimore Annual Conference of M. E. Church, South, assembled at Roanoke, Va., March 25, 1896, concerning the preservation of the Wesleyan Female Institute at Staunton, Va., as the Conference school for girls and young women, and for the payment of its present indebtedness.

It is the desire of the Conference that all of the indebtedness of the Institute shall be paid; and it being apparent that the assets, if sold at public auction, will not pay one-half of the liabilities, and by reason of prior liens a large part of the indebtedness would receive nothing from the proceeds of sale, and be left with no provision for its payment, with a view of ultimately paying the debt, and continuing the Institute as the Conference School, the following plan is proposed:

1. That a committee of three be appointed by the Conference to ascertain as soon as practicable whether all of the creditors of the Institute will unite in an agreement to accept from the Board of Trustees of Wesleyan Female Institute a settlement, whereby the time of payment may be extended through a period of years, in such amounts or proportion as could reasonably be expected from the net annual income of the Institute. For these amounts the notes of the Institute to be executed and secured by a deed of trust creating a lien on all of the property of the Institute, preserving therein priorities among creditors as now exist by law, unless waived by the creditor.

2. If within sixty days from the close of this session of the Conference, a satisfactory settlement be effected with the creditors of the Institute, then the appeal now pending in the Supreme Court of Appeals of Virginia in the name of Reeves Catt, Trustee, vs. Knabe & Co. et al., be dismissed, and the trustees of the Institute take such legal steps as may be necessary to consummate the agreement with creditors and effectuate the purposes thereof.

But, if this provision for the debt prevail, it is still necessary to provide for the operation of the school for the session of 1896-'97, and for that, the following plan is recommended:

To organize a company with a capital stock of \$10,000, divided into two hundred shares of \$50 each, the said stock to be taken and secured on the following terms and conditions, viz:

1. That 10 per cent. of said stock, to be paid on notice of the Secretary of the Board of Directors hereinafter provided for, not later than the 15th of June; the funds thereby secured to be used under the direction of said Board of Directors in advertising and canvassing for patronage during next vacation, and for such repairs as may be necessary to fit the premises for school purposes.

2. That said Board of Directors proceed to effect a rental of the real estate not later than the close of the present session for the term of one or more years.

3. That the personality be purchased by said company when the same shall be offered for sale (probably not before October, 1896), and that the stock of said company be assessed for such an amount as may be necessary

to pay for such purpose. It is probable that the sum needed for that purpose will not exceed \$2,000.

4. That no other assessments than those hereinbefore mentioned shall be made on said stock within the next twelve months after the organization of said company, except such as may be necessary to pay in full the current expenses of the session '96-'97, which may not be provided for by the current income from patronage and other sources.

5. If the realty shall be offered for sale, the Board of Directors shall deem it wise to purchase said realty, then the capital stock may be increased to \$25,000, and the assessments made thereon, as may be necessary to meet the terms upon which said property is bought.

6. At the same time it is understood that the said Board of Directors shall have the privilege, should they deem it to the best interests of the company, to provide for the deferred payments by lien on the realty, rather than by assessments of stock.

7. That in the event of the subscription reaching the required \$10,000, then the subscribers shall be called together before the expiration of this Conference session for the purpose of electing a board of five directors, who shall immediately organize for the end for which they are chosen, and at each annual session of the Conference succeeding, there shall be such an election of directors.

8. Provided, also, that preachers' daughters shall be educated free of tuition, in every branch taught in the Institute, except instrumental and vocal music from director, in which case the charge shall be no more than what is paid him by the Institute; and medical fee at half price.

9. Provided, also, that the president of the school, as under the management of said Board of Directors shall be nominated by them and confirmed by the Baltimore Annual Conference, in session assembled.

10. Provided, also, that nothing shall be done by said Board of Directors to in any way compromise or destroy the distinct Christian character of the school and as serving the church in its mission of Christian Education.

#### REPORT OF THE SUNDAY SCHOOL BOARD.

From the report submitted to the Conference we give the following statistics:

Number of Schools 579, increase 9; number of officers and teachers, 5,721, increase 27; number of scholars, 39,910, increase 28; amount of money raised, \$26,337, increase \$452.

These statistics do not show any marked increase in any direction. So far as we can learn, however, the Sunday School work is in a healthy condition, and that the Church has reason to be encouraged.

#### CHILDREN'S DAY.

The Treasurer's report, herewith submitted, shows that the amount collected on Children's Day for the use of this Board is very small compared with what we think it might be. We think this is due mainly to the fact that many Schools do not observe the day, or do not turn over the amounts collected to this Board. We urge all pastors and superintendents to give full information to the Sunday Schools concerning the objects for which

these collections are taken, and to see that the day is properly observed in all our Schools. In order to avoid complication, we request that the total amount collected on Children's Day be paid to this Board.

#### SUNDAY SCHOOL LITERATURE.

We are pleased to note the increased circulation of our Sunday School literature, as well as a marked improvement in its character, and we heartily recommend the use of it to the exclusion of any other of its kind. We urge upon those in authority to make such appropriations as will enable the Sunday School Editor to make any additional improvements in our literature as in his judgment are needed to increase its usefulness and circulation.

#### COLPORTEUR.

Believing that our Conference Colporteur, the Rev. A. A. P. Neel, Shepherdstown, W. Va., should be heartily sustained, we most respectfully urge that all our Sunday Schools purchase supplies from him. This can be done without any increase in expense or trouble to the School.

#### SUNDAY SCHOOL DIRECTORY.

It is the design of the Board to publish a Directory, which will include the names of all the presiding elders, pastors and Sunday School superintendents of the entire Conference, together with their postoffice addresses. This will put the Sunday School Editor and the Board in communication with all the superintendents, and will, we believe, awaken much greater interest in our Sunday School work.

#### SUNDAY SCHOOL CONVENTION.

The Sunday School Convention at Wesley Grove Camp Grounds last July was one of the most successful, both as to attendance and programme, that has ever been held, and the information obtained, we have no doubt, has been of material aid to those who attended its sessions. We think that it will be of much benefit to any who may be able to attend, and all should who can possibly arrange to do so. The Board has elected Brother M. L. Walton President of the Convention, and *ex-officio* Chairman of the following Executive Committee: Rev. J. H. Light, Rev. C. D. Harris, Edward S. Conrad, A. M. Robson and G. H. Lamar. This Committee will arrange programme, procure speakers and make all necessary arrangements for the conduct of the Convention. The next session of the Convention will be held at Rockville, Montgomery county, Md., at such time as may be selected by the Executive Committee.

#### CHILDREN'S DAY FUND.

The following committee will distribute the Children's Day Fund to needy schools: Robert Magruder, Prof. S. T. Moreland and W. H. Thomas. Applications will be received by Robert Magruder, 12 St. Paul street, Baltimore, Md., and Prof. S. T. Moreland, Lexington, Va.

Respectfully submitted,

ROBERT MAGRUDER, *Chairman.*

CHARLES S. STANTON, *Secretary.*

## REPORT OF BOARD OF CHURCH EXTENSION.

The Church Extension movement has long since passed beyond the tentative period. It has assumed such proportions, both as to the extent and beneficial effect of its operations, as to take front rank with the other great benevolent enterprises of the church. With one of these it is closely allied. It is a home missionary movement of the most aggressive and efficient type, and, in addition is already reaching out a helping hand to needy churches in the foreign field. From the initial year of this work, 1882 to 1895, the Parent Board distributed in donations to churches in our home Conferences \$239,967, and in the foreign field \$10,551, making a total of \$250,518; and in loans, \$196,150. During this period, churches in our own Conference have received in donations from the Parent Board \$9,100, and in loans \$17,000. Our own Conference Board up to the date of this session, has aided 113 churches to the amount of \$14,150. Nearly this entire amount has been appropriated to the erection of new churches; some of them in destitute portions of our territory, where otherwise they would not have been built at all; while the general effect has been greatly to stimulate church building throughout the bounds of the Conference.

Notwithstanding the stringency of the money market during the past year, we are gratified to report an increase in our receipts of \$188.48. We trust that this increase will go steadily on from year to year, till we shall be able to meet every application for aid to the full amount required. This year we have aided fourteen churches, distributed through seven of the Conference districts. We refer to the Treasurer's report for a tabulated statement of the churches assisted, and the amounts respectively appropriated. Some of these appropriations may seem out of proportion to the rest; but this is due to the fact that some cases of extreme necessity were before us, demanding immediate relief, and the fullest aid we could afford.

We respectfully call the attention of the presiding elders of the Conference to the 398th paragraph of the Discipline, Article XV. We are

quite sure, that if the directions contained in that paragraph are faithfully carried out, the cause of Church Extension will be more highly appreciated and more rapidly advanced among us.

We append the report of the Treasurer of the Woman's Parsonage and Home Mission Society of our Conference, and also present the report of the President of that society. We would emphasize the growing value of this important arm of our service. Its comprehensive object, as defined in the Discipline, is "to procure homes for itinerant preachers, and otherwise aid the cause of Christ." This society has been most helpful to some of our brethren on the frontier in the extreme west, in places where a home for the preacher is an essential prerequisite to the building of a house of worship. Beside, it has helped materially in multiplying parsonages in the older Conferences. Our own conference has shared liberally in its beneficence in this respect, and it has the strongest claim upon our generous sympathy and support.

Respectfully submitted,

SAMUEL K. COX, *President.*

**REPORT OF THE WOMAN'S PARSONAGE AND HOME MISSOIN  
SOCIETY FOR THE YEAR 1895-'96.**

With renewed cause of gratitude to a fostering providence, we lay before you, dear fathers and brethren, the record of the past year; and while it does not fully represent the work done, and falls far short of our desires, we are glad to report substantial advancement.

Within the past six months our membership has increased more than twenty-five per cent. This has greatly encouraged us, giving hope that we will soon be able to respond to the many calls for aid in parsonage building which we have received.

We have only been able to redeem our promise of aid to one charge within the past year, and have been pained to refuse assistance to many places, but feel safe in hoping better things for the future.

In the local work the various departments show a forward movement. Many cottage prayer-meetings have been held with most blessed spiritual results. Some have pledged themselves to systematic giving. The circulation of the organ of the general work, *Our Homes*, has been almost doubled.

Large increase in the distribution of leaflets and instructive literature of many kinds is also reported. The important work of visiting the sick and strangers has been more carefully fulfilled than ever before. The needs of the poor have been ascertained, and a quantity of garments, with many dollars' worth of supplies, has been donated. Over three hundred dollars' worth of clothing and supplies has been sent to needy preachers' families in the West and Southwest, and large interest has been shown in the comfort and support of the home preachers by the women engaged in this work.

At several points the Epworth Leagues have co-operated with our auxiliaries in supporting Miss Lockard, who has gone from our Conference to work among the Cubans at Tampa, Florida. Several boxes have been sent, also, to that point to aid her in supplying the needs of her work.

Below will be found a summary collected from the quarterly reports of auxiliaries.

We thank God it has not been a year unmarked by progress; that it has been a reaping as well as sowing and waiting, and to Him we ascribe all praise for the increase.

CHARLES TOWN, W. VA., March 25, 1896.

BOARD OF COLPORTAGE, 1896.

The Board of Colportage has carefully looked into the facts, as they have been presented by our Conference Colporteur, Rev. A. A. P. Neel, concerning the circulation of the books and Sunday School supplies of our Publishing House, within the bounds of our Conference territory.

Out of six hundred schools, only one hundred have thus far patronized our authorized Colporteur. As many of these are small schools, the patronage is not such as justifies without great sacrifice on the colporteur's part, the outlay of time and labor he is called upon to expend. We therefore join with the Sunday School Board in earnestly requesting our people to concentrate their orders for books and Sunday School supplies, upon our Conference appointee, thus enabling him to give his entire time to the field, and have well in hand his territory.

We unanimously recommend the appointment of Rev. A. A. P. Neel as Conference Colporteur. In doing so we believe that his experience of the past five years, and the work he has already done, will appear in the incoming year in a successful prosecution of this important work of the Church.

T. G. NEVITT, *President.*

## REPORT OF EPWORTH LEAGUE BOARD.

Too great emphasis cannot be laid upon a department of church work that bears so many marks of Divine favor as the Epworth League.

This organization has sprung into existence as by the direct inspiration of our Lord to meet a need that was almost universally felt throughout the church. The splendid achievements of the Sunday School have resulted in the ingathering of a multitude of young people into the church, who have been taught to know and love Christ, and have been seeking opportunities to express their devotion in wise and efficient service. How to control and direct this enthusiastic host, and to train them for the largest usefulness, presents a problem of prodigious import which must be solved. We believe that God gives the answer in the short but wonderful history of the Epworth League. So great has been the success already achieved that it is no longer considered an experiment, but is accepted as an essential element in the work of every church.

It is gratifying that our Conference has not been slow to see the importance of this work, which is evidenced both by the appointment of an Epworth League Board, and also by the individual efforts of the preachers to organize Leagues in many of our charges.

Last year the number of Leagues reported was 74, with a total membership of 3,128. This year 99 Leagues have been reported, with a membership of 4,304. Washington is the banner district, with 15 Leagues and 754 members.

We would respectfully make the following recommendations:

1. That all the preachers be urged to organize Epworth Leagues at each appointment, where, in their godly judgment, they deem it practicable.
2. That Epworth League conferences be held in each district at least once a year. That in those districts in which such conferences have not already been organized, the time and place be selected by the Presiding Elders for the coming Conference year. In all cases the selection of time and place be subject to the approval of the Presiding Elders.
3. That a collection be taken at the District Epworth League Conference, the proceeds of which be sent at once to the secretary of the Conference Epworth League Board, to be used by him in distributing literature of information concerning the league work to the preachers of the Conference, and otherwise assisting in the organization of new leagues.
4. That we hold during the coming Conference year, a Conference Epworth League Conference, at such time and place as may be decided upon by the Conference Epworth League Board.
5. That while each department of the league is important to a complete organization and to the largest results, we urge, in view of the many difficulties to be overcome in most places, that special attention be paid to the department of literature; and we recommend the use of the course of study prescribed by the General Epworth League Board as far as may be found expedient.
6. That one evening during the session of the Annual Conference be set apart for the consideration of league work, and that the Conference Epworth League Board provide a programme for this meeting.
7. We recognize the wisdom of the General Conference in establishing a paper to be devoted to the league interests. While we may not fully endorse every position taken and every expression used in the *Epworth Era*, yet we believe the circulation of the paper among us will prove a most valuable help to our young people, and aid to our pastors in their work among the young people.

We recommend that all our Leagues purchase their literature from our Conference Colporteur, Rev. A. A. P. Neel.

Respectfully submitted,

F. J. PRETTYMAN, *Secretary*

JAS. W. GRUBB, *President.*

#### CORPORATE BOARD OF FINANCE.

The Corporate Board of Finance respectfully report that they have paid to the Joint Board of Finance the sum of five hundred (\$500) dollars for distribution at the present session.

The donation of Brother Charles Shipley has been invested in ground rents in the city of Baltimore during the year.

The bequest of Mrs. Caroline Sewell, it is hoped, will be confirmed by the present Legislature of Maryland. The "form of bequest" is requested to be published in the minutes, as last year.

#### COMMITTEES.

##### ON PUBLISHING INTERESTS.

Your committee is gratified at the information received of the steady growth of our Publishing House and the increased circulation of our literature, notwithstanding the great financial embarrassment through which we are passing.

The gain in assets for the year is \$44,877. Its business and working show wisdom, economy and successful management, and it should have our sympathy, prayers and hearty co-operation in sustaining and circulating our own publications. Many of them are new and of the highest merit, and should be bought and read by our people generally. We, therefore, commend our own literature, first, to the patronage of our people.

The "Nashville Christian Advocate" is worthy of high praise. It embodies and expresses the thought and life of our purest Methodism. It is broad, conservative, charitable and fearless in advocating the teachings and principles of the church it represents. We most heartily recommend it to our preachers and people. Its success affords material aid to the most worthy claimants of our church.

We are pleased to know that the "Methodist Review" is now self-supporting, and promises not only to fill its purposes in the church, but also to be a source of financial profit to the House. This is owing largely to the labors of its faithful and energetic editor. We hope the circulation of this able "Review" will be increased among our ministers and laymen.

We are especially gratified at the great improvement in our missionary publications, so stimulating to the zeal of our missionary work and essential to the triumphs of the gospel at home and abroad.

The "Review of Missions" and the "World for Christ" are valuable helps in instructing and encouraging to greater missionary effort. The cost is so small that they can easily be sown broadcast over the field, and we hope they may be freely circulated among our people.

We are glad to learn from the report of our agents, that there has been some gain in the circulation of our Sunday School Periodicals, which will be greatly improved this year. The increase of 49,955 in our Sunday School population is encouraging, and it should be felt in the increased circulation of our Sunday School literature.

We are much pleased with the improvement in our "Sunday School Magazine." We consider it a great help in Sunday School instruction, and regret that it is not more generally taken by our teachers.

In behalf of the "Woman's Parsonage and Home Mission Society," so active in providing homes for our ministers and their families, we earnestly recommend to the women of our church "Our Homes," the organ of the society, edited by Miss Lucinda B. Helm; published at Nashville, Tennessee.

Our Conference organ "The Baltimore Christian Advocate," we especially commend to the attention of our people. We cannot be indifferent to its high claims upon us. It becomes us, therefore, to redouble our diligence in securing subscribers for our home paper. We appreciate the efforts on the part of the editor and publisher, in furnishing us a paper of such value, and so helpful in promoting all the interests of the church, at the smallest possible cost.

*Resolved*, That we heartily endorse the arrangement made between Dr. J. J. Lafferty and Rev. J. S. Hutchinson, who has so faithfully and acceptably edited the paper, and we recommend his continuance in that relation.

J. W. DUFFEY, *Chairman.*

E. H. HENRY, *Secretary.*

#### ON TEMPERANCE.

Your Committee on Temperance beg leave to submit the following report

The Conference would reiterate with more pronounced emphasis than ever before its past deliverances, that the traffic, use and manufacture of intoxicating liquors, as a beverage, are incompatible with the teaching of the word of God and damaging to the best interests of the church.

The evil is rapidly growing and fearfully multiplying the victims of pauperism, disease and crime. It lies at the root and gives vigor to almost every social and national vice. It presents the most formidable obstruction in the legislation of our country, and imperils, more than any other enemy, the glorious inheritance of liberty so dearly bought by our fathers.

The vast destruction of nutritive food in the manufacture of intoxicating liquors, the enormous capital perverted and massed together in this fatal trust, and the untold millions snatched from our schoolhouses and homes of our people, warn us, in tones that cannot be misunderstood, that the dearest rights of domestic happiness and the most sacred duties of the sanctuary are in imminent danger. Our character as ministers constitutes us the natural guardians of childhood and the protectors of exposed womanhood. We, therefore, most earnestly protest against every encouragement of this the most destructive evil to the good morals of the community and the prosperity of the Kingdom of God. The fatal history of this traffic convinces us more than ever that we should take a firm and decided stand against every form of licensing intemperance, and we here express in the following resolutions the profound convictions of this body:

I. That we earnestly call upon our people to read the general rules of the Discipline and the chapter on temperance, giving careful attention to paragraph 216, which reads as follows: "Let all our preachers and members abstain from the manufacture or sale of intoxicating liquors to be used as a beverage, from signing petitions for such sale, in becoming bonds,

men for any person as a candidate for obtaining a license, and from renting property to be used for such sale. If any member shall violate any of the provisions of this paragraph he shall be deemed guilty of immorality. Nevertheless, in the case of a member who shall sign a petition for such sale, or shall become a bondsman for any person engaged in such traffic, or shall rent property to be used for such sale, it shall be the duty of the pastor to deal with the offender as provided for in chapter VII, section V, paragraph 296, page 127."

II. That the Word of God, and the whole legislation of the Church are in antagonism with the use, the vending and the manufacture of intoxicating liquor as a beverage.

III. That we call upon our people to present a united front in advancing all measures that look to the extirpation of this great social and national vice, and to so carry out in good faith, such laws as may be passed for the suppressing of the illegal sale of intoxicating liquors.

IV. That we specially enjoin on all the ministers and members to become more watchful, and to enforce with more fidelity the provisions of the Discipline on this subject.

V. That we earnestly invite our people throughout the Conference, to invoke the great head of the Church to keep us in purity, and to stay the ravages of intemperance throughout our beloved country.

VI. That we are in hearty sympathy with all legislation and proper movements having as their object the prohibition of the manufacture and sale of intoxicating liquors as a beverage.

VII. That we request the newspapers within the bounds of the Conference to publish this report.

VIII. That we recommend that the preachers preach at least one sermon during the year on this subject.

The Committee having considered the communication from the secretary of the American Anti-Saloon League, referred to them, after due consideration of the same, do hereby recommend that the Conference pledge its co-operation with said organization in its opposition to the saloon.

C. W. COOK, *Chairman.*

J. HOWARD WELLS, *Secretary.*

Baltimore District—Records are very neatly and properly kept.

East Baltimore District—Records are in good form and well kept.

Washington District—Records well kept, except the roll does not show who were present and who were absent at the session.

Winchester District—Records, in all respects, very nicely kept.

Rockingham District—Records do not show who were present and who absent at the session, and make no note of the reports of the different charges.

## ON THE BIBLE CAUSE.

WHEREAS, We believe that every aggressive movement for the conversion of man must be accompanied and followed by the circulation of the Word of God, and recognize it to be as essential to place the Bible in every family and in the hand of every person as to build churches in destitute communities, or to send missionaries to domestic and foreign fields.

AND WHEREAS, The American Bible Society, which is doing an unparalleled work, both in translating and in distributing the Scriptures, is our wise, faithful and accredited agent for this great work.

AND WHEREAS, Although the American Bible Society, to widen the field of its usefulness, must have largely increased resources, the report of the present year shows that our Conference has raised only \$296 for the Bible Cause, and that sixty-four charges have failed to report collections for this great work; therefore, be it

*Resolved*, That we request and urge each pastor to preach a special sermon as early as possible in the year on "The Duty and Privilege of a Closer Study and Wider Circulation of the Word of God;" and, at the same time, take the collection ordered by the General Conference, and forward the amount raised directly to the agent of their State Society, and take his receipt.

The committee further recommend that fifty (\$50) dollars of the money raised in the Maryland work be appropriated to constitute Rev. L. L. Lloyd a life director of the Maryland Bible Society.

J. S. ENGLE, *Chairman.*

J. H. KUHLMANN, *Secretary.*

# RANDOLPH-MACON

## COLLEGES AND ACADEMIES.

WILLIAM W. SMITH, A.M. LL.D., President.

1. **RANDOLPH-MACON COLLEGE**, Ashland, Va., founded 1830.  
(See page 51.)

2. **RANDOLPH-MACON ACADEMIES**, at Bedford City and Front Royal, prepare for any College or University or for business. Both eligibly located. The buildings, with grounds, etc., at each place, are worth \$100,000, and are unequalled in the South. Heated by steam, lighted by electricity; bath rooms, with hot and cold water on every floor; single beds; single desks; classes limited to fifteen pupils. Splendid Gymnasiums. Rates low.

**FRONT ROYAL ACADEMY**, Rev. B. W. Bond, D. D., Principal, is under the peculiar care of the Baltimore Conference. For circular with full particulars address Principal, R.-M. Academy, Front Royal, Va.

**BEDFORD CITY ACADEMY**, A. M. Hughlett and E. Sumter Smith, Principals, is under the peculiar care of the Baltimore Conference. For catalogue with full particulars address Principals, R.-M. Academy, Bedford City, Va.

3. **RANDOLPH MACON WOMAN'S COLLEGE**, at Lynchburg, Va., offers to the young women of the South facilities for education equal to those afforded young men at Randolph-Macon College at Ashland. One hundred and three thousand dollars already secured for its endowment. Buildings, costing \$115,000, are provided with all modern comforts, gas, steam, water. It is strong, permanent, well equipped and progressive.

For particulars address President Woman's College, Lynchburg, Va.

### FACTS FOR METHODISTS.

1. Randolph-Macon in all its branches belongs jointly to the Virginia and Baltimore Conferences of the M. E. Church, South. The aggregate value of these properties is now \$665,000. In 1888 it was \$90,000. Number of students in last catalogue, 503. The number ought to be 800.

2. The Baltimore Conference has equal right to all the advantages of the four institutions, and is represented on the Board of Trustees in proportion to membership, furnishing one-third of that body. It proposes to pay one-third of the expenses of maintaining and developing the work.

3. The Virginia Conference assesses annually \$3,500 and pays about \$2,700; the Baltimore Conference assesses \$2,000 and pays about \$1,200. The Virginia Conference has raised \$100,000 for endowment of the College at Ashland; the Baltimore Conference has undertaken to raise \$50,000; of this, \$10,000 has been paid, and a general canvass will be made as soon as practicable to secure the remainder.

4. The College is essential to our work and to our standing as a Church. It educates our ministers free of tuition and provides the very best educational facilities for our people under wholesome religious influences. It is a power for our Church and for the cause of Christ, and should be heartily sustained by our people.

5. By a vigorous and united effort all the new enterprises of the College can be set upon a firm footing. Let no Methodist feel that he has done his whole duty until he has made his contribution to this work. *What is your part of this \$665,000 undertaking?* Write to the hard-worked President about this and cheer his heart with a voluntary contribution.

☞ Free tuition for the children of our ministers at all Randolph-Macon institutions.
